PARTS

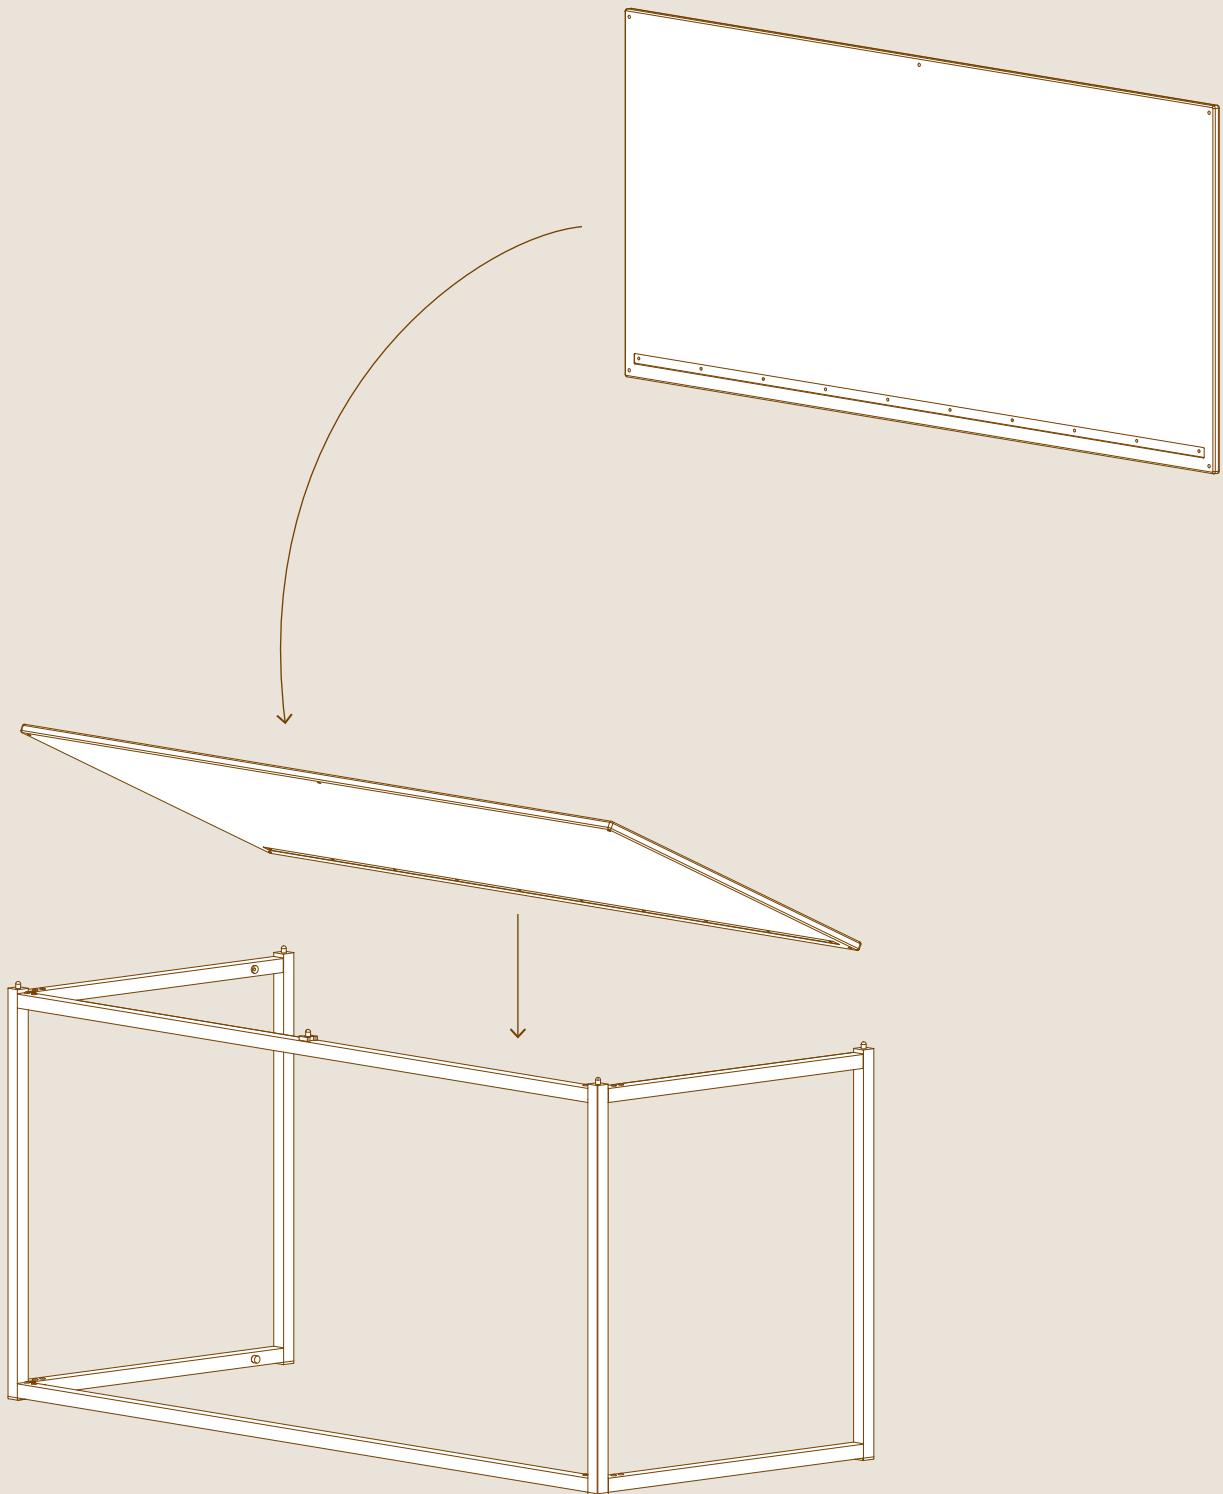

ASSEMBLY

- 1 Unfold the table chassis and open both folding legs until they are at a 90° angle to the base.

2

Place the tabletop on the table chassis, with the metal rod facing down. Make sure the profile is positioned on the open side of the table - the side without the connecting bar.

3

Ensure the guide pins at the top of the table chassis align and slide into the holes on the underside of the tabletop.

WELL DONE!

GREAT JOB, YOU'RE GOOD TO GO!
